ACADEMIC PROJECTS

A Sala Llena

JAN 2022 - FEB 2022

Full-Stack app in where we used the scrum project management methodology with weekly sprints.

It's a last minute ticket sales app for theaters, with a dynamic discount based on time,

Recipedia

JAN 2022 - FEB 2022

Recipedia is a full-stacked app developed on my own as part of a 3-week challenge at Henry Bootcamp.

An app where you can search for recipes or even upload yours.
